SOFTTEARWE SKILLS

LANGUAGES

- **English** - Fluent
- **Malayalam** - Native
- **Tamil** - Basic
- **Hindi** - Basic

SKILLS

- AutoCAD Drafting
- Project Coordination
- Rate Analysis
- Quantity Estimation
- Bill Preparation
- Material Mangement
- 3D Modeling and Renderig

PROJECTS

- B.Tech Project: Soil Stabilization Using Bioenzyme (Terrazyme)
- 110kV Substation - Equipment Foundation & Control Room Construction,Kadampuzha
- 33kV RDSS Project - Kalpakanchery-Vairamkode (Package 1)
- Footpath Construction Project - Angadipuram Grama Panchayath

AutoCAD

Expert in drafting, detailing, and preparing technical drawings.

SketchUP

Expert in 3D modeling and conceptual design.

MS Office

Expert in documentation, reporting, and project coordination.

Lumion

Expert in producing high-quality visualizations and walkthroughs.

STAAD PRO

Intermediate working knowledge of STAAD.Pro for structural modeling and analysis.

ETABS

Intermediate experience with ETABS for building structural analysis.

Photoshop

Intermediate skills for post-processing and presentation layouts.

D5

Intermediate skills in real-time rendering and animation.
